

Basics of IPR and Patent Filing Procedure

When	Friday; 26/09/2025; 02.00 PM To 03.00 PM
Where	Seminar Hall, 3Rd Floor, MCOP, Nigdi, Pune – 44
Description	A highly informative guest lecture, "Basics of IPR and Patent Filing Procedure," was successfully organized for T Y B Pharm and Final Year B Pharm (Division A & B) students. The event featured Mr. Chetan Gundecha, Founder & Principal Consultant at Right IP Solution, as the resource person. Mr. Gundecha delivered comprehensive and practical guidance covering Intellectual Property Rights (IPR) fundamentals, its crucial relevance in the pharmaceutical sector, and the systematic, step-by-step procedure for patent filing, searching, and documentation. This engaging seminar significantly benefited a total of 115 aspiring pharmaceutical professionals, equipping them with a foundational understanding of intellectual asset management critical for future roles in research and development.
